

There's just something spectacularly magical about the FreZno Dance Classic that just resets my soul each and every year. I am so grateful for the opportunity that Steve Zener and Heather Rappaport Zener extend to me to participate in such a memory making event. This year topped all previous years for me. I was busier than I've ever been with participating in staff performances, competitions, running my own booth bending hair into updos, trimming and reshaping then men folk, teaching, making some new friends and catching up with old pals..... but all that hard work and lost sleep can't compare to the memories I will cherish for the rest of my life. I don't usually like to do a big thank you post after events because it can sometimes feel forced and obligatory.... but I definitely want to and need to after an event like this. I truly feel this way in my heart. Thank you to the Zener's for trusting me to care for your guests and allowing me to set up my salon in your gorgeous ballroom. And thank you so much for caring about the individual people and community as a whole, and not just your bank account. It's obvious how much love and labor goes into this event when you see the grand show but it's the small details that set you apart too. You bring back the feeling of the "old dayz" when dancing wasn't about who is most popular and what level you're at... but about creating lasting friendships and building one another up. I witnessed dancers of professional level dancing the days and nights away with anyone and everyone all weekend long without hiding away in a corner somewhere putting up that barrier. You always hire the best staff that you feel will live up to your expectations. I think I can speak for many when I say thank you for that. From the Jell-O shots, to the ice cream and pizza, to the amazing sets, props and shows.... you've created an EXPERIENCE like no other..... and OMG the Mickey trophies 🏆🏆🥰🥰🥰🥰🥰🥰!!! What AMAZING details!!! Your staff from the hired to the volunteers are incredible. This event feels like coming home to the family. ❤️❤️🥰🥰🥰🥰🥰🥰🥰🥰🥰 Thank you for all you do to make this event like no other.

Thank you Steve Zener. I totally enjoyed the day spent this year at Frezno. Words like family, love, friendships come to mind as well as hard work, sacrifice, pride and the willingness to set Frezno apart from the cookie cutter conventions out there today.

I had the best time at Frezno Dance Classic! The fun I have is never because of competing, but the friends that I have made along the way that I get to see there every year, even if it's just for a moment or dance. Thank you Steve Zener, you did it again, and that is why this event will always hold a place in my heart, and be my favorite ALWAYS!! Love you!! Thank you everyone for making it one of the best events I've ever gone to! Marlynn Lane

Year #34 of Steve Zener's annual dance event. This yrs theme was anything DiZzney.

Besides dance competitions, lessons by top instructors and social dancing into early morning hours, there were shows, costumes parades, ice cream socials, pizza party, karaoke and lots of good ole hilarious fun.

Once again, thank you Steve Zener and fabulous staff for a priceless experience. Winnie the Pooh and Tigger too. Sheri Courtney

Lauren and I want to give a huge thank you to UCWDC Event Directors Steve Zener and Heather Rappaport Zener for having us on staff at the FreZno 34. Your invited staff was nothing short of amazing. From the hospitality, front desk, sound support, construction, photography, music, video production, instructors, judges and the list goes on and on...we are so proud to be a part of event with so much quality and a rich history. We truly appreciate the opportunity to teach our Cha Cha & Tango workshops as the dance community gave us a lot of love and support. Frezno Dance Classic 2018 was fabulous! Thank you Steve and Heather for inviting me to be on staff this year. I can never thank you enough for giving me such a great opportunity! It was an honor to work with such a talented group of people.

The competitions and socials were beyond compare. The DiZzzney theme was spectacular! From the music to the decor, Disney was well incorporated. Kat Painter

When I initially had a conversion about Mia Primavera being hired to Fresno with Steve Zener, I was over the moon. I remember some of my favorite moments as a WCS junior being at the event. The event seemed the same, people were so friendly, the atmosphere was light hearted and fun and the teachers and the staff really treated people with so much respect! And the comps always run on time! Or the penalty is paid, which I had to do for charity 😊😁. This event holds so many memories and I was so happy to continue them last weekend. Last time I was at Fresno was 2002 which you could see by my signature on the wood panel. Now there is another one as a staff member in 2018! Thank you everyone for the great welcome back! Thank you Kira Kalliomaa for dancing me into 1st place for High Low! Ryan Crutcher

An absolutely classy and awesome weekend at FreZno Dance Event! Thank you Steve and Heather and all the awesome staff! Gloria Casey
